hail mary mini disco

The perfect option for larger groups looking to start their night off with a little privacy! **With a Mini Disco, groups of 75 or less can book out Hail Mary for a private party until 10PM on weekends.**

Doors will open to the public at 10PM, but your group will be set up with some tables + seating for the rest of the night - a nice homebase for drinks and bottles to dance the night away.

Bar Packages: We've got options! One tab, separate tabs, or pre-purchased drink tickets. Bottle service + bar cart service are also available. All bar purchases will count toward your minimum spend.

The Palms: Pending availability + the size of your group, The Palms may be included in your booking! The Palms is an additional space beside Hail Mary featuring a party booth, shuffleboard table + photo booth.

Minimum Spend: Your *Mini Disco's* minimum spend depends on the start time of your event + how many guests you expect to attend. Your minimum spend must be reached before we open to the public.

Snacks: We don't serve food, but you're welcome to bring in anything you'd like as long as it's nut free. We can send you our list of preferred caterers or point you to some great local spots for delivery or takeout - our only rule is no ice cream.

Send us an email at party@hailmarybar.com for more information or to book your own *Mini Disco*!
